Espomega S.A. de C.V.

EC Directive 89/686/EEC

EC Type-examination
Issue 1.

PPE Product

Derma Care gauntlet series, PVC dip coated knitted brushed jersey cotton gauntlets with an additional granular coating on the hand, which are available in six nominal sizes and the following lengths: 35cm (product code: 44-414) & 45cm (44-418).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant standards, which have been previously assessed and deemed to meet the basic health and safety requirements of the Directive, EN 374-1:2003 with EN 374-2:2003 inspection level 3, EN 374-3:2003 permeation (\geq level 2) with reagents J, K & L and EN 388 for a performance classification of 4,1,2,1.

The manufacturer's information notice [Derma Care gauntlet style] in English has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file specification TF.GS.600.G issue 3
SGS Reference Number GB/PP 211338
